Ow! Fell in love girl
Uh! Yeah, like that
Uh, uh, drop it
Yeah, mm-hmm, yeah yeah
Uh-huh, yeah yeah yeah
Uh-huh, yeah yeah

Everything was cool
Then we first hooked up
And messed around
And I blew your mind
You told me I fulfilled
All your fantasies, everytime
But you forget

1 - I told you once before
That you're not my girl
But you fell in love
What am I to do?
Sorry girl, but you're not my girl
But you fell in love
What am I to do?

You saw me with another girl
Late one night
At the club, baby
You made a scene
Spilled your drink on me
You messed up
And embarrassed yourself, yeah
Don't tell me that I'm
The only one that's in your life
I can't believe it, oh no baby
Stop calling my boys
Saying you love me
I just met you last week
And I told you before

Repeat 1
Repeat 1

What am I to do, yeah

Like that, uh!
Like, like, like that
Like that
Like that
(Told you)
Like that, uh!
Like that, ow!
Like that
Like, like, like that

Repeat 1
Repeat 1

Uh (girl)
Yeah, that's right
Tell it to me Rob (girl)
It ain't my fault (love)
Just the way we do (do)
I feel you though baby (girl)
Uh, woo! (girl)
Uh, heh (love)
That's right (do)
