We're in love
I give it all to him

And he makes me feel complete

But it's not just a love affair.
We have to be so discreet - run
Run
Run away -
But you don't know him the way I do - hide

Hide from his lies.

No matter what they do
I'm gonna keep on loving you

No matter what they say
They'll never make me walk away.
This far down the line
It's still an easy thing to say -
I'll keep on loving you !

When he's near
He makes me feel alive

Something I can believe though it's not just a childish
thing.
Don't think I'm so naive - run
Run
Run away -
If only you knew him the way I do - hide
Hide from his lies.

No matter what they do
I'm gonna keep on loving you

...

No matter what they do
I'm gonna keep on loving you

...

Keep on loving!

Run
Run
Run away - if only you knew him the way I do -
Hide
Hide from his lies -

No matter what they do
I'm gonna keep on loving you
...
No matter what they do
I'm gonna keep on loving you
...
