Well you done done me and you bet I felt it  
I tried to be chill but you're so hot that I melted  
I fell right through the cracks and now I'm trying to get  
back

Before the cool done run out I'll be giving it my bestest  
And nothing's going to stop me but divine intervention  
I reckon it's again my turn to win some or learn some

But I won't hesitate no more, no more  
It cannot wait, I'm yours

Well open up your mind and see like me  
Open up your plans and damn you're free  
I look into your heart and you'll find love love love love

Listen to the music of the moment, people dance and  
sing  
We're just one big family  
And it's our God-forsaken right to be loved loved loved  
loved loved

So I won't hesitate no more, no more  
It cannot wait, I'm sure  
There's no need to complicate, our time is short  
This is our fate, I'm yours

Dd-do do you, do you, dd-do, do you want to come?  
Scooch on over closer dear, I'll whisper in your ear  
Oh yes love, love love love love love  
Love you love, love you love

I've been spending way too long tricking my tongue in  
the mirror  
And bending over backwards just to try to see it clearer  
But my breath fogged up the glass  
And so I drew a new face and I laughed

I guess what I be saying is there ain't no better reason  
To rid yourself of vanities and just go with the seasons  
It's what we aim to do, our name is our virtue

But I won't hesitate no more, no more  
It cannot wait, I'm yours

Come on and open up your mind and see like me  
(I won't hesitate)  
Open up your plans and damn you're free  
(No more, no more)  
I look into your heart and you'll find that the sky is  
yours  
(It cannot wait, I'm sure)

So please don't, there's no need  
(There's no need to complicate)  
There's no need to complicate  
(Our time is short)  
'Cause our time is short  
(This is our fate)  
This is, this is, this is our fate  
I'm yours, I'm sayin 'I'm yours
