[Verse 1]

Simula palang ng makilala ka ang buhay ko'y
nagkaroon ng sigla
Pero bakit puro luha at pasakit ang sakín pinadama
Sadya ba akong nag kulang kaya iniwanan mo na kong
magisa
Laging balisa laging tulala iniisip kong anu ang
nagawa

Bigla ka na lang nag sawa bigla mo na lang akong
iniwanan
Pinun ko panaman lahat ng iyong pangangalangan
Nangungulila sa iyong pagmamahal ngunit walang
magagawa
Kung di ang tanging magdasal

[Chorus]

Why then do you see all the negative things in me?
All I ever do is try and be all that I can be
Girl, you know your hurting me
All the pain you weigh to me

As I lie at night
I'm imagining things how they used to be
Girl, you know your hurting me
What am I to do with a broken heart?

Remember when we made our promises
That we would be together through out every single
thing 2x

[Verse 2]

Mga pangako biglang napako ang pagtingin mo sakín
nag bago
Bigla nalang naglaho ang pag-ibig nakatago
Anu bang pagkakamali kaya iniwan mo na sa isang tabi
Ako'y dina mapakali lagi lagi nalang nag mamadali

At dali dali kong sinundan ang mga yapak ng iyong
paa
Nag babakasakali na sana balang araw muling
makasama

I'll give you anything you want me to
'Cause I know this might seem hard for you
I know That we will be

[Repeat Chorus 3x]
