"Sid The Bully"

I remember a long time ago
I knew a kid
He ran around acting like a bully
And I think his name was Sid

Well, Sid didn't have a lot of friends
'Cause he fought everyone he'd seen
The truth was Sid didn't like himself
And that's why he was mean

They said, He's just a bully
He likes to kick and shove
He's just a bully
But all he needed was love

So one day Violet said to him,
I used to be a bully too
You need to like yourself
And that's what you ought to do

Now he's not a bully
He doesn't kick and shove
He's not a bully
'Cause all he ever needed was love
