Visit "[Back To Zero](#)" on MotoLyrics.com

In the dark, I've gone too far, I take another drink
Shooting stars, I'm tearing cards
Never could have seen the shadow in my ahead
The words I never said.

Had it all, lost it all, made a few mistakes
Misery must call for me, is calling on my name
Tonight I won't regret the things I might forget

Chorus:

Back to zero, I thought you should know, I'm letting you
go!

Back to zero, I'm living my life, I'm starting tonight
And wash it all away, and make it go
Gonna berry all these memories of you
Back to zero, I'm living my life, I'm starting tonight!

I touch the night, and supervise freedom in my veins
I broke the spell, so what the hell?

I'm turning off my brain you know I need really,
It hunts me in my sleep

Chorus:

Back to zero, I thought you should know, I'm letting you
go!

Back to zero, I'm living my life, I'm starting tonight
And wash it all away, and make it go
Gonna berry all these memories of you
Back to zero, I'm living my life, I'm starting tonight!

Na, na, na, na
Na, na, na, na
Back to zero

Chorus:

Back to zero, I thought you should know, I'm letting you
go!

Back to zero, I'm living my life, I'm starting tonight
And wash it all away, and make it go
Gonna berry all these memories of you
Back to zero, I'm living my life, I'm starting tonight!
