Baby its not what you think, it aint like that.  
yeah you saw her kissing me but i aint kiss her back.  
it aint like that, i swear it aint like that  
Heard it all before so be quiet with them lies.  
going in my left ear, headed out the right.  
should've left yo' ass when u aint come home last  
night.  
got no sleep, in them cold sheets, so lonely whit no one  
to hold me.  
i should've left, i should've left you, i should've left  
you, and i head the strength too.  
instead i kept you right here.  
and now you're busy promising, you love me.  
and all i heard was that.  
La La La,  
Do Do Do Do Do  
Da Da Da,  
Do Do Do Do Do,  
Da Da Da,  
La La La,  
La La La,  
all i heard was that  
La La La  
Put your belongings in a box  
won't keep me from changing the locks  
La La La,  
La La La...  
Thought i was Lying when i said its a done Da Da  
i wasn't Lying when i said its a done Da Da  
You're so fake, cant believe nothing you say.  
heard it all before, get them lies up out my face.  
going in my left ear, headed out the right.  
should've left yo' ass when u aint come home last  
night.  
got no sleep, in them cold sheets, so lonely whit no one  
to hold me.  
i should've left, i should've left you, i should've left  
you, and i head the strength too.  
instead i kept you right here.  
and now you're busy promising, you love me.  
and all i heard was that  
La La La,

Do Do Do Do Do  
Da Da Da,  
Do Do Do Do Do,  
Da Da Da,  
La La La,  
La La La,  
all i heard was that  
La La La  
Put your belongings in a box  
won't keep me from changing the locks  
La La La,  
La La La...  
All i heard,  
All i heard,  
All i heard,  
All i heard,  
All i heard.  
v [REPEAT TWICE] v  
La La La,  
Do Do Do Do Do  
Da Da Da,  
Do Do Do Do Do,  
Da Da Da,  
La La La,  
La La La,  
all i heard was that,  
La La La  
Put your belongings in a box  
won't keep me from changing the locks  
La La La,  
La La La...
