I know that you love me more than ever.
And baby I promise I'll be better.
No I won't, keep making you feel like I don't care at all.
Cause I'll do whatever it takes, to keep a smile on your
face,
Even if it means making you bacon and eggs.
If that's what it takes then I'm making you bacon

Soon as I wake up, and wash my face up
I'm headed to the kitchen, to open up the fridge and,
Out of the oven, blue-berry muffins
I know they're your favorite, so I won't keep you waiting.
(Hey)(today) you won't be mad about yesterday,
Once I make you bacon and eggs (today).
Today...

I'm hoping you don't fall short of patience with me.
I feel like you're always so frustrated baby.
And now I am sure that, once in a while you think I'll
never change.
But I'll do whatever it takes, to keep a smile on your
face
Even if it means making you bacon and eggs.
If that's what it takes then I'm making you bacon.

Soon as I wake up, and wash my face up
I'm headed to the kitchen, to open up the fridge and,
Out of the oven, blue-berry muffins
I know they're your favorite, so I won't keep you waiting.
(Hey)(today) you won't be mad about yesterday,
Once I make you bacon and eggs (today)

Grits, cheese, "OJ" fresh squeezed!
Jam with bread and margarine.
Been slaving on this all morning.
I hope that you're hungry!

Soon as I wake up, and wash my face up
I'm headed to the kitchen, to open up the fridge and
Out of the oven, blue-berry muffins
I know they're your favorite, so I won't keep you waiting.
(Hey)(today) you won't be mad about yesterday,

Once I make you bacon and eggs, today!
