You understand me like no one else does
You love me perfect, that's more than enough
I can't find a flaw in you, not even one
I know you'll be here in the long run
You know the reason I'm so insecure
And day after day you convince me I'm wrong
Telling me beauty is neither here or there
But you understand why I'm fixing my hair

I'm fixing my hair for you
Wanna be beautiful
Even when you tell me I'm so pretty
I need it to hide all my insecurities
And I'm fixing my hair for you
Just like you like me to
Even when you tell me that you couldn't care less
I'm always fixing my hair
I'm always fixing, fixing my hair

Hours in the mirror for nothing at all
Staring at my imaginary flaws
Making excuses to fix what ain't broke
You make me feel better like only you know how
Why are we where we are
With someone like me, how did we get this far
When we get older hope you're still around
When all of my hair has fallen on the ground

I'm fixing my hair for you
Wanna be beautiful
Even when you tell me I'm so pretty
I need it to hide all my insecurities
And I'm fixing my hair for you
Just like you like me to
Even when you tell me that you couldn't care less
I'm always fixing my...

Please believe me when I say
I don't mean to be so vain
But I've got issues within
What you see when you look at me
Is something I could never be

You gotta understand
All you ever knew was the pretty girl
The funny girl, the girl with no worries or cares
But I've got a lot that I'm hiding inside
And that's why I'm fixing my hair

I'm fixing my hair for you
Wanna be beautiful
Even when you tell me I'm so pretty
I need it to hide all my insecurities
And I'm fixing my hair for you
Just like you like me to
Even when you tell me that you couldn't care less
I'm always fixing my hair
I'm always fixing my hair for you

Even when you tell me that you couldn't care less
I'm always fixing my hair
