Tonight, tonight, tonight  
Tonight, tonight, tonight  
Tonight, tonight, tonight

It's late in the evening  
She's wondering what clothes to wear  
She puts on her makeup  
And brushes her long brown hair

And then she asks me  
Do I look alright?  
And I say yes  
You look wonderful tonight

We go to a party  
And everyone turns to see  
This beautiful lady  
Who's walkin' around with me, yeah

And then she asks me  
Do I feel alright  
And I say yes  
I feel wonderful tonight

I feel wonderful because I see  
The love that's right in your eye  
And the wonder of it all  
Is that you just don't realize

How much I love you  
I really do

It's time to go home now, yes it is  
And I've got an achin' hand  
So I give her the car keys  
And she helps me into bed

And then I tell her  
As I turn down the lights  
I say, darlin' you were wonderful tonight  
I said, darlin' you were wonderful tonight

You look wonderful you?re everythin' I need and more  
You look wonderful so beautiful tonight  
You look wonderful you never leave me wanting more  
You look wonderful so beautiful tonight

You look wonderful you?re everythin' I need and more  
You look wonderful so beautiful tonight  
You look wonderful you never leave me wanting more  
You look wonderful so beautiful tonight

You look wonderful you?re everythin' I need and more  
You look wonderful so beautiful tonight  
You look wonderful you never leave me wanting more  
You look wonderful so beautiful tonight

You look wonderful you?re everythin' I need and more
