It's been a long time since I've been scramblin' down  
On the wrong side of your love  
And I don't care if you say I'm wasting my time  
Cause you're the only one I'm thinking of

Since I spent my whole life ramblin'  
Round from town to town  
And I need Open Soul Surgery

When you were eighteen I took you from your mother  
and  
sister  
Cause you didn't need that kind of protection  
And now I hate seein' you comin on like some kinda  
bitch  
Just cause your life ain't what you were expectin'

Since I spent my whole life ramblin  
Round from town to town  
And I need Open Soul Surgery

Since I spent my whole life ramblin  
Round from town to town  
And I need Open Soul Surgery

Open Soul Surgery  
Oh I need surgery  
Open Soul Surgery
