My girl sleeps so tight
She cannot realize
What a big and wonderful pain inside
I create my new life

Unlike my cigarettes
Burned out from both ends
Remember you said:
"Everything will be fine"

I'll see you in every corner
But I don't mind
You said all the best things
Stay alive

My girl sleeps so tight
She cannot realize
What a big and wonderful pain inside
I create my life
My girl sleeps so tight
She cannot realize
What a big and wonderful pain inside
I create my life

You lied yeah yeah
I knew you lied
I knew you lied

Sleep tight tonight
Close your eyes
Tomorrow I'll be gone
And I won't come back for a while
I have to go now
The show is over
Turn off the lights
I hate to say goodbye

My girl sleeps so tight
She cannot realize
What a big and wonderful pain inside
I create my life

Sleep tight...
Sleep tight...
