Bound in these chains, I'm turning  
Stop drop and roll, we're burning  
Bound in these chains, I'm turning  
Stop drop and roll, we're burning  
Whoaa

I can't feel my hands  
I can't feel my hands  
It's spreading to my head

Bound in these chains, I'm turning  
Stop drop and roll, we're burning  
Whoaa

Don't stop now, give me more, this feels good  
Please administer more  
I'd sooner be left alone than staying here  
But you are all I have so wont you stand  
Please stand by my side  
Before I say goodnight

Here I lie alone inside of my shell  
Stunned, oblivious to exterior hell  
I wait patiently, and I will fight  
To stay, in this tranquil state of mind  
Won't let this song drag me behind  
And all of the surrounding elements  
That drag me down stream  
I'm fighting up this stream  
I'm fighting up this stream

My mind's slowly awakening now  
And it's clear why this state will never last  
But sir your steady hand  
Means nothing in this place

I apologize

My mind's slowly awakening now  
And it's clear why this state could never last  
But sir your steady hand  
Means nothing in this place

I apologize
