Do you even know my name?  
Do you even want to?  
My name is Kasey with a "K"  
And I think that I love you

Let me in and I won't let you out  
Of my sight 'cause your down right, flat out  
The most beautiful thing that I've ever seen  
I swear I heard the sun say, he's jealous and can't stay

So he hides...

We spent our nights wishing on stars  
And as the sun rose you took my hand and said,  
"Let's wish once more,"  
So I closed an eye and I watched your dreams soar  
And as your fingers tangled themselves in mine  
You hands snuck in my chest and made my heart flat-  
line  
You stole it away  
Granting my wish to keep you forever  
You eyes shine like diamonds  
I swear I heard the stars say, they're jealous and can't  
stay

So they hide...

You're so clueless  
I hope you never figure out  
I hope you never figure out  
You're so out my league and I can't believe  
That the girl of my is sitting right next to me  
So, so I sing  
I sing you this song 'cause I hope it won't be long...  
'Till we meet

Do you even know my name?  
Do you even want to?  
Well my name is Kasey with a "K"  
And I think... no.  
And I know that I love you.
