You can see me comin' from a mile off  
Once again ignite the skyline

Shes gonna be printed on money  
Just like your royal family  
(This aint no holiday)

This time there can be no funeral  
Im vibing, can't you feel me?

We love rohypnol,  
She got rohypnol  
We take rohypnol  
Just forget it all

We love rohypnol,  
She got rohypnol  
We take rohypnol  
Just forget it all  
Just forget it all

This babys got a temper  
This babys got a temper  
This babys got a temper  
You'll never tame her  
You can see me do another parallel  
Better bow down your not worthy  
( Hey get off my planet, Yeah)

Last time I'll be your prisoner  
No name no number  
(revolving, dissolving)

Shooting through the trapdoor  
What I think don't matter anymore

We love rohypnol,  
She got rohypnol  
We take rohypnol  
Just forget it all

We love rohypnol,

She got rohypnol  
We take rohypnol  
Just forget it all

This babys got a temper  
This babys got a temper  
This babys got a temper  
You'll never tame her

This babys got a temper  
You'll never tame her
