Take leds shake feds that like to break bread
Fuck Chicken-Heads thast part of my M.O

I Run the comb through the hood and find my target,
..Comb the Hood.
Find his apartment, Infamous Wildlife
You food in the forest, nigga this MOB shit..
Here's a Riddle take him to the hospital
Whats Black with the White Sheet and Red All Over?
Over here's War, You Just another Dead Soldier
I Been around the world, but America is Colder..
Much More Fowl, Much More Wild
The Chopper gone Chop, The Popper Go Pow
This ain't no 80's Shit this is Right Now
I transcend Time This is Two Thousand Twelve
Ya Need a Hard smack in the Back a ya Head
This system Corrupt, Better wake up Kid
Cause there's nothing we can do cept spread the word
And then one day we can all shake the world..
