Death of the Prodigy dancer  
Come on, come on  
Gonna take you with me  
Gonna kill you, gonna rock you  
Gonna move you, gonna groove you  
Tonight, come on

Let it rock, let it move, let it move you, let it use you  
Let it move you, let it move you, let it move you

One for the troubles  
Two for the time  
Three for the lyrics  
Four for the rhyme

Come on now  
Let it rock, let it rock  
Pump it up, rock it up  
Don't stop to the fuckin' core  
Come on.. Maxim Reality is..?

Let it rock you, let it rock you  
Let it move you, let it groove you  
Let it rock, let it rock, let it rock  
Let it rock you, let it rock you, let it rock you  
Let it rock you, let it rock you
