(original by the rolling stones; remixed by maxim)

Waiting for a girl who's got curlers in her hair  
Waiting for a girl she has no money anywhere  
We get buses everywhere  
Waiting for a factory girl

Waiting for a girl and her knees are much too fat  
Waiting for a girl who wears scarves instead of hats  
Her zipper's broken down the back  
Waiting for a factory girl

Waiting for a girl and she gets me into fights  
Waiting for a girl we get drunk on friday night  
She's a sight for sore eyes  
Waiting for a factory girl

Waiting for a girl and she's got stains all down her  
dress  
Waiting for a girl and my feet are getting wet  
She ain't come out yet  
Waiting for a factory girl
