If you believe
the western sun
is falling down
on everyone
your breaking free
the mornings come

if you would know
your time has come

If you believe
the western sun
is falling down
on everyone
you feel it burn
your trying to run

you feel it burn
your time has come

I feel it!

You feeling all the melody...

I feel the power go away...

You feeling all the melody...

I feel the power go...

You feeling all the melody...

I feel the power go...

If you believe
the western sun
is falling down

on everyone
your breaking free
the mornings come

if you would know
your time has come

If you believe
the western sun
is falling down
on everyone
you feel it burn
your trying to run

you feel it burn
your time has come

I feel it!

You feeling all the melody...

I feel the power go away...

You feeling all the melody...

I feel the power go...

You feeling all the melody...

I feel the power go...

(various chanting)
