"Make A Hole"

Visit "[Make A Hole](#)" on MotoLyrics.com

Coming through coming through
Real spirits my rap of guns even one that you feel this
Make a hole make a hole for my niggers
Force us to make holes in your â€¦.why you make a ..
for the outfit
The only thing get pass me a mile hit
Out where the gun buss we are out to it
Serve wrong with his head run to it
Good boy you skin reporting you freeze up
Pay is to tight for the guns that we top
Let me hit you with something that I don't do often
Once I tell you got to kill your nigger here is your coffin
Get a gun look get a gun low you wanna play I know
your chess .. like a
Straight to be down you niggers shovel take a picture
show you how a real winner look
Ride around with my trophies .. rap low key but who is
hot than a .. to a black block
G up with my mother fucker man ..coming through
coming through real .. when rap
Guns even one you kill us make a home make a home
for my niggers
Or force us to make holes in your ..her name ain't a
code travel in this magazine like â€¦ four
Be a broken child you should bitch get older be nothing
in the videos and rip something to it
Stile in the .. stile is in the engine stile bitches keep me
in your vision hoe
Watch how I do this only .. rappers right now stay on
some new shit
Miss exclusive higher than a .. drunk at a ..my sexual
preference is whatever you are in to
I am here with my pit bull you are here with your â€¦I
got issues mental stay focus try to avoid values
You know where I be you got a problem brush your
teeth at me
coming through coming through real .. when rap
Guns even one you kill us make a home make a home
for my niggers
I did ym crime did my time I am gone .. like ai rocket
shit .. if youa re popping shit

I got millionaire friends respect how I move or get
moved on respect
This is it this is my . the page is full I was part I am
scheming of what I am gonna do
coming through coming through real .. when rap
Guns even one you kill us make a home make a home
for my niggers
Or force us to make holes in your â€¦
