Imagine how it would be
To be at the top, making cash money
Go and tour all around the world
Tell stories about all the young girls

Imagine how it would be
To be at the top, making cash money
Go and tour all around the world
Tell stories about all the young girls

Imagine how it would be
To be at the top, making cash money
Easy girl, easy girl
Go and tour all around the world
Tell stories about all the young girls
Easy girl, easy girl, yeah

Every action, a reaction
Every action, every action
Every action, a reaction
Every action, every action

Imagine how it would be
To be at the top, making cash money
Go and tour all around the world
Tell stories about all the young girls

Girls, girls

Imagine how it would be
To be at the top making cash money
Easy girl, easy girl
Go and tour all around the world
Tell stories about all the young girls
Easy girl

Imagine how it would be
To be at the top making cash money
Go and tour all around the world
Tell stories about all the young girls

Imagine how it would be

To be at the top making cash money
Go and tour all around the world
Tell stories about all the young

Every action, a reaction
Every action, every action
Every action, a reaction
Every action, every action

Imagine how it would be
To be at the top making cash money
Go and tour all around the world
Tell stories about all the young girls

Imagine how it would be
To be at the top making cash money
Easy girl, easy girl
Go and tour all around the world
Tell stories about all the young girls
Easy girl, yeah

Every action
