If you believe the western sun  
Is falling down on everyone  
If you break it free and the mornings come  
If you would know your time has come

If you believe the western sun  
Is falling down on everyone  
And you feel it burn, don't try to run  
And you feel it burn, your time has come

And I feel it

You feel another energy  
And I feel a power growing  
You feel another energy  
And I feel a power grow

You feel another energy  
And I feel a power grow

If you believe the western sun  
Is falling down on everyone  
If you break it free and the mornings come  
If you would know your time has come

If you believe the western sun  
Is falling down on everyone

And you feel it burn, don't try to run  
And you feel it burn, your time has come

And I feel it

You feel another energy  
And I feel a power growing  
You feel another energy  
And I feel a power grow

You feel another energy  
And I feel a power grow

Aum Namah Narayana, Aum Namah Narayana

Aum Namah Narayana, Aum Namah Narayana  
Aum Namah Narayana, Aum Namah Narayana  
Aum Namah Narayana, Aum Namah Narayana

Aum Namah Narayana, Aum Namah Narayana  
Aum Namah Narayana, Aum Namah Narayana  
Aum Namah Narayana, Aum Namah Narayana

And I feel it, and I feel it, and I feel it  
You feel another energy

You feel another energy  
And I feel a power growing  
You feel another energy  
And I feel a power grow
