Serve em i serve em up  
I serve em deliver that beef that nice you well done  
You know those pistols up

I've learned ..never snap back the hand they try to  
nerce em  
Fat these niggas when niggas left from starving  
Shoot that nigga f\*ck daddy snoop talking  
Nigga tryin to play me son to get ..  
He thought he had the only gun  
In New York yeah yeah

Or nigga wanna play with them guns well let's play in  
My shit drives lightening fast i'm like ..  
Hope listening good the words i'm sayin  
'Cause we need words ..  
They tryin take me off my square laying like a marble  
block  
..tryin lean on me you get me wasted  
Not not a two rapers ..wonder one  
You're just the same shit i live it out  
You just the same shit

Hood i gt formers to .. My dick  
Look you never gonna reach my boss too high  
Never be a star like pm too fly  
Too much shine i'm too bright too smart for you niggas  
To move on i might catch the body and the hood try
