Hey yo, my flow burns so hot  
I'm cooked like the coke up  
Boy it will over scorch you,  
Be a soldier on your frontline  
I'm wicked with the rapping  
The sickest nigga on the drop  
To bitches I'm attractive  
I make that pussy holla  
I'm good with shit man  
Listen to the shit I say  
It's perignon you dog, I pop like the bubbly  
When I was doing bad, you people was all laughs  
Assholes, jock off, kiss my whole ass  
Mobocracy, live by mob rules  
If niggas don't humble, they self re eat food  
Who possibly, could stop me, I ask  
Perhaps nigga not knowing I be going ham  
Mob deep coming, put your woman in the stash  
In delict, whenever I speak it's straight cash  
Hustle harder, go harder I mash  
450k I made on the gas

They call me big time, big beats  
Big raps, I get big chicks  
Little rappers, they get stepped on  
They dreams get crushed, I'm not to be slept on  
I'm not to be slept on  
Keep dreaming, I'm not to be slept on

450 killer me is on the gas  
Got bad ass bonnie, shot gun on my left  
Feeling like Bonnie and Clyde  
Mallory and Mickey, she giving nigga top  
Like she tryna giving hicky  
She handing me the pussy like she handing me the  
blicky  
Right before you curled up, on you curb sticky  
And it's cl floated on smooth like the frisby  
Man, what y'all niggas wanna do, you can't really  
The boys get up but the land get bizy  
In the mix empire state boysâ€¦

Bright lights, dark streets, welcome to my city  
The capital of passion girl we get spiffy  
â€mob hats counting money like the machine  
Niggas start shit will resort to heavy metal  
450kilometers on a pedal  
They wanna catch me slip I move too fast  
Internat P, check the numbers on the dash

They call me big time, big beats  
Big raps, I get big chicks  
Little rappers, they get stepped on  
They dreams get crushed, I'm not to be slept on  
I'm not to be slept on  
Keep dreaming, I'm not to be slept on.
