

## Prodigy "Stop Fronting"

Visit "[Stop Fronting](#)" on MotoLyrics.com

It's the return of the Mac-11, Mac-10 get up  
Hennessy liquor, some weed and a ciga'  
Ain't shit changed but the diamonds got bigga'  
Watch Mucho Frio, somethin' like a blizzard  
It's summertime it's hot, and you ain't got no Freeon

I'm in the Bentley drop; to me you're a peon  
You got neon lights underneath your Nissan  
I got LeAnn Rimes passin' me the weed son  
Doin' ten miles per hour through New York  
Just ridin', bumpin' my new one

You act like I'm not that, nigga that pop that  
Rounds at your top hat, Blazers and Slacks  
Fuck up your suit, send a couple of troops  
That'll go find your friends and get them to you  
Know the name; niggaz call me Bandana  
They wanna write me off, but my songs is bangers

Bitch, stop fronting, you open off my chain  
Open off my watch, open off my range  
Nigga you fronting, you wide open off P  
Off the words I wrote to the beats

Ayo, they talk shit behind my back, smile at my face  
They wanna hear what I hear and see what I see  
P, the God Emcee, I got a bottomless pit  
Sixteen, that's how I keep droppin' new shit  
This radio station, rotation, nigga I just made this

I'm impatient, put my shit out now, shut that other shit  
down  
This the Mixtape, imagine how the album'll sound?  
I'm on tour with Mobb Deep, we out in Japan  
Australia and then we doin' Madison Square  
Then it's right back on the road with 50 and Em

Rappers upset we last more longer than them  
At the club we gon' pop your lady if she's hot?  
She see we on the top, now she starrin' at my rocks  
I get in her box, and beat it up to socks  
I mean fuck her brains out, 'til she scream "Please

stop"  
C'mon

Bitch, stop fronting, you open off my chain  
Open off my watch, open off my range  
Nigga you fronting, you wide open off P  
Off the words I wrote to the beats

Bitch, stop fronting, you open off my chain  
Open off my watch, open off my range  
Nigga you fronting, you wide open off P  
Off the words I wrote to the beats
