[Hook]

I'm like a fucking crack head for this rap music
I'm strung out on this shit, ah
I'm like a fucking base head, turn the base up
I'll show you how to rap on this shit ah

I got 900 thousand bars you playing games with it
I don't fuck around nigga, I slay lyrics
Too much powerful all rapping the hash
So they try to blak ball my name, you do the math
The bullshit don't add up, when they see me in the
flesh
they subtract they thug
I divide they swag, with all of my guns
give your little jewelries to my little men bra
shop on the moon, find myself amongst stars
In another galaxy
and I got the ghetto me
Cause no matter where I go
niggas try to stun on you, make a name off of you

[Hook] x 2
