Come with me to the dance floor,
You and me cause that's what it's for
Show me now what is it
You got to be doing
And the music in the house...
And the music in the house...
And the music in the house...

Do it!
Do it!
Do it!
Do it!

Come with me to the dance floor,
You and me cause that's what it's for
Show me now what is it
You got to be doing
And the music in the house... So

Come with me to the dance floor,
You and me cause that's what it's for
Show me now what is it
You got to be doing
And the music in the house...
And the music in the house...
And the music, music, do it!

Do it!
Do it!
Do it!

Come with me to the dance floor,
You and me cause that's what it's for
Show me now what is it
You got to be doing
And the music in the house...

Come with me to the dance floor,
You and me cause that's what it's for
Show me now what is it
You got to be doing

You got to be doing
And the music in the house...

Do it!
Music, music, music, music...
