P  
Pack up  
All you out your league  
I be the Head Nigga In Charge  
Y'all be the niggas under me  
This is my house  
What the fuck you think  
You get spanked comin up in my shit  
I run this  
My shit pop like them white boys on MTV  
Your shit sound weak when it's played after me  
There is no competition  
I'm the number 1 album of 2000  
Cause your shits suck  
Me and Hav be the best niggas to ever do it  
What you think it's just music  
We live this shit  
We from the soil the dirt the grain the pain  
It still hurts  
You can never satisfy my thirst  
Y'all niggas had best disperse  
I charge niggas with intent  
You aint gangstas  
Go ahead jump and get plucked nigga  
My guns buck and we love to fuck niggas up  
If yall niggas want to get at p  
Do it  
You got problems you want it with me  
Come one  
If you gangstas, gangbangangers, thugs what  
Do it do it come on do it  
If the ladies want to holla at P  
Do it  
Gettin hot you want to slide with me  
Come on  
For my mamis honeys big body bunnies  
Come on come on do it  
  
And the shit that kill me  
Is radio be acting like they can't feel me  
Said we too filthy

We uncensored  
Not to mention all the drama and tension  
When we step in  
Your event get shut down when we dumb out  
We got good hearts though we aint start the bout  
We just brawled em out and hauled em out  
Promoters get scared and put on the lights for the  
house  
Dun we just tryin to have fun  
Boo at the ladies and possibly get in the jump  
You crazy  
You get blown open son  
You tried to stop that flow on a big showboat and got  
cut the most  
While your dogs afloat  
Me and mines keep partyin and sparkin dope  
Its simple  
P is not to be fucked with  
Put your thugs up put your guns up and shit  
If yall niggas want to get at p  
Do it  
You got problems you want it with me  
Come one  
If you gangstas, gangbangers, thugs what  
Do it do it come on do it  
If the ladies want to holla at P  
Do it  
Gettin hot you want to slide with me  
Come on  
For my mamis honeys big body bunnies  
Come on come on do it
