Verse 1:

Professor Green
You're born for it, built for it
Rob for it, steal for it
Shot for it, deal for it
Pop for it, kill for it

Some are born with it
Some are born without
Can hardly afford what they're forking out
Time is money, talk is cheap
Money talks, what we talking about?

? poverty born depravity
Gluttony over luxury
?

Insanity?
?
Anything I want need
For me to have it's a must

Pre-chorus:

Miles Kane
You're draining my blood

Chorus: Miles Kane
Are you getting enough?
Are you getting enough?
Are you getting enough?

Ah yeah

Are you getting enough?
Are you getting enough?
Are you getting enough?
Ah yeah

Verse 2:

Professor Green
I shop therefore I am
I am therefore I shop
Until I drop, I will not stop
Â'Til I cop everything I want

I spend money I ain't got
Anything I want, I get
I buy what I want: period
I don't really mind if I'm in the red

Credit cards, debit cards
Store cards, more cars
They're all paid by the?
?

Can you feel it heating up?
Can you feel the climate changing?
In our eyes you see the hunger
All your needs are primal rage

Pre-chorus:

Miles Kane
You're draining my blood

Chorus: Miles Kane

Are you getting enough?
Are you getting enough?
Are you getting enough?
Ah yeah

Are you getting enough?
Are you getting enough?
Are you getting enough?
Ah yeah

Bridge:

Miles Kane
Keep on, keep on, keep on chasing money
Keep on, keep on, keep on chasing money
Keep on, keep on, keep on chasing money
Keep on, keep on, keep on chasing money

Verse 3:

Professor Green

The man that handled his megaphone

Said we can only serve one master

?

? we lust after

Satisfaction ain't for sale

When we're all going to Hell

Who are we supposed to hail to

When we don't know our father?

Chorus:

Miles Kane

Are you getting enough?

Are you getting enough?

Are you getting enough?

Ah yeah

Are you getting enough?

Are you getting enough?

Are you getting enough?

Ah yeah
