~ What?

Â'Coz IÂ'm in a rave with a chick,  
you think I ainÂ't with my click,  
youÂ're gone, theyÂ're in the background waiting for  
it,  
IÂ'm drunk Blazing a spliff,  
Minding my own vibes  
and with two fingers in the sky if IÂ'm liking the show,

IÂ'm sick of all the bullshit, though I hear it all the, time,  
I wasnÂ't watching you it was your chick that caught my  
eye,  
so talk to your girl donÂ't be all mad at Green,  
I ainÂ't looking at her backside itÂ's looking at me

I wasnÂ't looking for a hard night, maybe a lady,  
nothing crazy, no bar fights, but this prick at the barÂ's  
still getting quite loud so I guess itÂ's gonna be  
another hard night out

I wasnÂ't looking for a hard night, maybe a lady,  
nothing crazy, no bar fights, but this prick at the barÂ's  
still getting quite loud so I guess itÂ's gonna be  
another hard night out

If I ainÂ't got my blade in a jam,  
IÂ'll be throwing bottles at babies in prams,  
Acting like a mug, but could I give a fuck, no?  
Fuck no! I wonÂ't remember none of it tomorrow

So I lie IÂ'm a white light  
Drink liquore and smoke bud until I white out  
I was looking a half pint, not a night out,  
But I guess itÂ's gonna be a hard night naaa!

I wasnÂ't looking for a hard night, maybe a lady,  
nothing crazy, no bar fights, but this prick at the barÂ's

still getting quite loud so I guess it's gonna be  
another hard night out

I wasn't looking for a hard night, maybe a lady,  
nothing crazy, no bar fights, but this prick at the bar's  
still getting quite loud so I guess it's gonna be  
another hard night out

I wasn't looking for a hard night, na,  
I wasn't looking for a hard night out  
I wasn't looking for a hard night, na,  
I wasn't looking for a hard night aaaaaaaout!

I admit that I'm wreckless, and a bit demented  
At the bar taking more shots than 50 cent did,  
I don't sip drinks I down mine,  
And not a rap in the club until I get picked up and  
kicked out side

And get picked up by policemen, Who cares  
At least I get a free bed even if it is freezing  
I believe in releasing,  
I work hard all week then get battered at weekends,  
what?

I wasn't looking for a hard night, maybe a lady,  
nothing crazy, no bar fights, but this prick at the bar's  
still getting quite loud so I guess it's gonna be  
another hard night out

I wasn't looking for a hard night, maybe a lady,  
nothing crazy, no bar fights, but this prick at the bar's  
still getting quite loud so I guess it's gonna be  
another hard night out

I wasn't looking for a hard night, na,  
I wasn't looking for a hard night out  
I wasn't looking for a hard night, na,  
I wasn't looking for a hard night aaaaaaaout!

I wasn't looking for a hard night, maybe a lady,  
nothing crazy, no bar fights, but this prick at the bar's  
still getting quite loud so I guess it's gonna be  
another hard night out

I wasn't looking for a hard night, maybe a lady,  
nothing crazy, no bar fights, but this prick at the bar's  
still getting quite loud so I guess it's gonna be  
another hard night out
