I sell it by the bottle
Oh I'll make it last all night
Don't worry 'bout tomorrow
I got the remedy
Oh, we let it go
So won't you come sit next to me I got the remedy oh,
you never know
oh i could give you what you need
i got the remedy

My life's enough for anyone to get gassed
I could hit a bungalow

Charlie Sheen

how come I can see two and a half men?

Oh, we let it go
So won't you come sit next to me I got the remedy oh,
you never know
oh i could give you what you need
i got the remedy

Verse 2:

She got me in her eyes no c.s. I'm in a vibe on a hype I
could go all night no re-est flow b-est no t-est

buds between my thigh and my ball's a bag a my monk

You know I got the remedy for that are you mad?
You need medicine, therapy in fact and you know i got

So won't you come sit next to me I got the remedy oh,
you never know
oh i could give you what you need
