[Hook - Luciana]

They told me you were trouble  
But I never knew I'd feel like this  
We're caught up in a struggle  
Can't let you go

I can't let go of trouble  
No, I never thought I'd feel like this  
Isn't it ironic, you got me in your pocket  
We down with a little kiss

[Verse 1 - Professor Green]

Highly reputable  
Therefore I got a reputation  
I can see I'm in your ear  
I know what your friends are saying

You're just a night to him  
He lives his life on the road  
It's difficult now I am known  
Why can't we get some time alone?

I ain't trying to sell you drrams  
I just wanna sit and vibe  
There's a lot of fellas hollering  
I know you're sick of lies

I could say I ain't the same  
And I ain't into lies  
But I know you'll figure that  
I'm different if you give it time

[Pre-chorus]

Friends told you I'm trouble  
Yeah I bet you've heard a lot about me  
There's a lot about me that you might've heard

So I ain't gonna listen or just take me as you find me  
Am I gonna get the chance that I deserve

'Cos I deserve it  
And I promise it's worth it

I'll work you out  
(Yeah, yeah) yeah, I'll work you out

[Hook - Luciana]  
They told me you were trouble  
But I never knew I'd feel like this  
We're caught up in a struggle  
Can't let you go

I can't let go of trouble  
No, I never thought I'd feel like this  
Isn't it ironic, you got me in your pocket  
We down with a little kiss

[Verse 2 - Professor Green]  
Look, we could sit and talk about  
The way you heard I used to be  
But I find it hard to see  
How that relates to you and me

See it ain't about what I've got  
Or what I get  
It's not that I'm tight with dough  
But time is all I wanna spend

And you ain't gotta tell me  
That you ain't a groupie  
I know you ain't talking to me  
'Cos of my fame or jewellery

I used to play games  
But I put the pad down  
I was a boy then  
I'm a man now

[Pre-chorus]  
Friends told you I'm trouble  
Yeah I bet you've heard a lot about me  
There's a lot about me that you might've heard

So I ain't gonna listen or just take me as you find me  
Am I gonna get the change that I deserve

'Cos I deserve it  
And I promise it's worth it  
I'll work you out  
(Yeah, I'll work you out) yeah, I'll work you out

[Hook - Luciana]  
They told me you were trouble  
But I never knew I'd feel like this

We're caught up in a struggle  
Can't let you go

I can't let go of trouble  
No, I never thought I'd feel like this  
Isn't it ironic, you got me in your pocket  
We down with a little kiss

[Bridge - Professor Green]

Yeah I deserve it  
I promise it's worth it  
I'll work you out  
Yeah, I'll work you out

Yeah I deserve it  
You know it's worth it  
I'll work you out  
We can work it out

[Hook - Luciana]  
They told me you were trouble  
But I never knew I'd feel like this  
We're caught up in a struggle  
Can't let you go

I can't let go of trouble  
No, I never thought I'd feel like this  
Isn't it ironic, you got me in your pocket  
We down with a little kiss
