Shelter me  
With mercury vials  
Escape is the machine to  
Shelter me  
With media tablets  
We'll turn today into a-  
Dream  
More doses  
More screens  
More vials to

Shelter me  
With sweet escape  
I'm looking for a place to run to  
To hide inside

Silence me  
Prescribe me your cancer  
If I will disappear  
You'll-  
Silence me  
I'll welcome the virus  
If you can promise this-  
Dream  
More doses  
More screens  
More vials to

Don't bother me with details  
Don't bore me with what's real  
Distraction is all I need  
All I need all I need to shelter me
