Go

Seems like only yesterday the dream became so clear
All was possible and God it felt so near
So I suffered and I bled, I truly did believe
Years have come and gone, but just where has it
brought me

In the blink of an eye
Seems like minutes as the years fly by
In the blink of an eye
Afraid to stop because I can't stop time

Go

Strobing snapshots of my past become a blurring flash
Just one thing can make it all come flooding back
If I'd stopped just once to look back maybe I would see
Just how far I've come, but it took it's toll on me

In the blink of an eye
Seems like minutes as the years fly by
In the blink of an eye
Afraid to stop because I can't stop time

Blink of an eye
Blink of an eye
Blink of an eye
Yeah

That's just how fast your life can change
In the blink of an eye, everything erased

In the blink of an eye
Seems like minutes as the years fly by
In the blink of an eye
Afraid to stop because you can't stop time

In the blink of an eye
Seems like minutes as the years fly by
In the blink of an eye
Afraid to stop because you can't stop time
