Can you feel it building!  
Can you feel it building!  
Can you feel it building!  
Can you feel it building!

Can you feel it building!  
Devastation is on the way  
Feel the hair on the back of your neck  
As the rush begins

You can't take it away  
I earned this with sweat and blood  
You can't take it away  
Take what's mine

Breathing new life  
Back into me  
Challenging all  
The powers that be

Can you feel? Can you feel? Can you feel?  
Can you feel? Can you feel? Can you feel?  
Can you feel? Can you feel? Can you feel?

Can you feel it slipping!  
As you lose your grip on me  
Can you face that I won in the end?  
I can't keep from laughing

You can't take it away  
I earned this with sweat and blood  
You can't take it away  
Take what's mine

Breathing new life  
Back into me  
Challenging all  
The powers that be

Breathing new life  
Back into me  
Challenging all

The powers that be

Breathing new life  
Breathing new life  
Breathing new... life

(Solo)

Don't you see it coming!  
When you've caught on, it's too late  
When it hits, don't forget who I am  
Don't forget this face

You can't take it away  
I earned this with sweat and blood  
You can't take it away  
Take what's mine

Breathing new life  
Back into me  
Challenging all  
The powers that be

Breathing new life  
Back into me  
Challenging all  
The powers that be

Breathing new life  
Breathing new life  
Breathing new life  
Breathing new life, yeah!

Breathing new life, yeah!
