I can't breathe!
Is that you standing there?
It's not your heart.
As it begins to beat.

Come quick!
The waters up to my neck,
And I can barely breathe,
Yet all you say
Is "Take it slowly!"

By slowly I assume you mean
That this will be
Another one, just like before

Just like before,
I'm on my own.
Just like before,
I'm on my own.
On my own.

I can't breathe!
Is that you standing there?
It's not your heart.
As it begins to beat.
I swear we're losing ground.

So lets say,
You've done this all before
Cause I know you play your games,
And I run the same.
We've been here now.
Just like we said.
It's breaking out.
We're going now.

I can't breathe!
Is that you standing there?
It's not your heart.
Cause it's not like before.
I swear we're skipping beats.

With this heart you take,
My pain.
With this heart you break,
These chains.
With this heart you take,
My pain.
With this heart you break,
These chains.

I can't breathe!
Is that you standing there?
It can't be your heart.
Cause it's not like before.
Watch as it falls apart!
