"Drowning"

Here you are playing make believe, once again why are
you so naive
Here you sit now, you are soaked in sorrow,
Here you sit and drown in your fucking lies
Here you sit now with your life so hollow, here you sit
don't you try to deny it
Lies! They're in your head! Lies! They're in your head!
Here you are, you fake it once again, you make
believe, why must you pretend
Here you sit now and you say your something, here you
sit and look down upon my life
Here you sit now, you are next to nothing, here you sit
don't you try to deny it
Lies! They're in your head! Lies! They're in your head!
You can't hide here behind your masquerade, I can see
through you
You can try but it's too late, the time has come for you
Your Drowning!
Here you are still playing make believe but in the end
you will be the one to see
Here you sit now with this life your leading, here you sit
and look down upon my life
Here you sit now with the lies your bleeding, here you
sit don't you try to deny it
Lies! They're in your head! Lies! They're in your head!
You can't hide here behind your masquerade, I can see
through you
You can try but it's too late, the time has come for you
Your Drowning!
Lies! Lies! Lies!
