In the grey of the evening  
When the time is right  
Gonna visit my lovin'  
Her hand is soft and warm  
I opened my window  
The signal is loud and clear  
Watch a talkin' on the phone babe  
Speak louder, I can't hear

'Cause I know exactly what I do  
The pain that's in my heart  
Is burnin' right from the start  
Pretty baby I give you my soul  
Please give me tenderness  
Stop actin' like a fool

Runnin' to the stairway  
Yo' face stuck on my mind  
Can hear my Mom's callin'  
I have to be home for dinner (huh)  
Can feel my heart beat  
It's pumpin' hard and strong  
I still gonna visit mt lovin'  
Sorry Mom, no can do

'Cause I know exactly what I do  
The pain that's in my heart  
Is burnin' right from the start  
Pretty baby I give you my soul  
Please give me tenderness  
Stop actin' like a fool

Tell me something (Nice)  
Whisper nice thing (Twice)  
And all your lovin'  
'Cause I need some lovin' tonite  
Then I tell you something (Yes)  
I give you lovin' (Tenderness)  
And all you longin'  
'Cause I gonna be your lover tonite

My temperature is risin' now

It's time to make something dirty  
It ain't time to go home, babe!  
You know why?  
Pretty baby I give you my soul  
Please give me tenderness  
Stop actin' like a fool
