Looking out  
Across the night-time  
The city winks a sleepless eye  
Ah Hear her voice  
Shake my window  
Sweet seducing sighs

Get me out  
Into the night-time  
Four walls won't hold me tonight  
If this town  
Is just an apple  
Then let me take a bite

If they say -  
Why, why, tell 'em that is human nature  
Why, why, does he do me that way  
If he says -  
Why, why, tell 'em that is human nature  
Why, why, does he do me that way

Reaching out  
To touch a stranger  
Electric eyes are everywhere  
See that girl  
She knows I'm watching  
She likes the way I stare

If he says -  
Why, why, tell 'em that is human nature  
Why, why, does he do me that way  
If he says -  
Why, why, tell 'em that is human nature  
Why, why, does he do me that way  
I like livin' this way  
I like lovin' that way

[Interlude] (humming) (guitar lead) (Why Why2x)

Looking out  
Across the morning  
The city's heart begins to beat

Reaching out  
I touch her shoulder  
I'm dreaming of the street

If he says -  
Why, why, tell 'em that is human nature  
Why, why, does he do me that way  
If he says -  
Why, why, tell 'em that is human nature  
Why, why, does he do me that way  
If he says -  
Why, why, tell 'em that is human nature  
Why, why, does he do me that way  
Tell me Why, why, does he do me that way  
I like livin' this way

(Humming)
