#### Verse 1:

I stepped right in and the club was jumping.  
about to get a little something  
it's about to go down tonight  
while youre working, check your girlfriend  
she has been in the club flirting, baby you know the  
deal

#### Bridge:

You know I'm looking fabulous  
so slick so scandalous  
the whole styles hazardous  
(so get your ass up)  
Youre looking good in them tight-ass draws  
the way you moving across the floor  
I'm just tryin get my point across  
(so get your ass up)

#### Chorus:

Everybody grab somebody, baby don't hurt nobody  
I like the way you work it shorty. Get your ass up  
Baby you know you got it, ain't no doubt about it  
baby, were bout it bout it

#### Verse 2:

Baby just hold on, bout to get my roll on  
know that I've been down for so long  
It's about to go down tonight  
I aint jiving, I aint lying, tell me why youre trying?  
Don't you know? Baby you know the deal

#### Bridge

#### Chorus
