Visit "[Rescue](#)" on MotoLyrics.com

You are the source of life and I can't be left behind  
No one else will do and I will take hold of You

I need You Jesus, come to my rescue  
Where else can I go?  
There's no other name by which I am saved  
Capture me with grace, I will follow You

You are the source of life, I can't be left behind  
No one else will do and I will take hold of You, yeah

I need You Jesus, come to my rescue  
Where else can I go?  
There's no other name by which I am saved  
Capture me with grace

'Cause I need You, Jesus to come to my rescue  
Where else can I go?  
There's no other name by which I am saved  
Capture me with grace, I will follow You, I will follow You

This world has nothing for me, this world has nothing  
for me  
This world has nothing for me, I will follow You  
This world has nothing for me, I will follow You  
This world has nothing for me, go follow You  
This world has nothing for me

I need You Jesus, come to my rescue  
Oh, where else can I go?  
There's no other name by which I am saved  
Capture me with grace

'Cause I need You, Jesus to come to my rescue  
Tell me where else can I go?  
There's no other name by which I am saved  
Won't You capture me with grace?  
Won't You capture me with grace? Capture me with  
grace

I will follow You, this world there's nothing for me
