All that noise and all that sound..
All those places I got found..
All that noise and all that sound..
All those places I got found..
All that noise and all that sound..
All those places I got found..

And birds go flying at the speed of sound,
To show you how it all began.
Birds came flying from the underground,
If you could see it then you'd understand.

And birds go flying at the speed of sound,
To show you how it all began.
Birds came flying from the underground,
If you could see it then you'd understand.

And birds go flying at the speed of sound,
To show you how it all began.
Birds came flying from the underground,
If you could see it then you'd understand.

All that noise and all that sound..
All those places I got found..
