And now, ladies and gentlemen.. let's get ready to rhumble!

Let's get ready, ready, let's get ready, ready,
Let's get ready to rhumble.

Let's get ready, ready, let's get ready, ready,
Let's get ready to rhumble.

Let's get ready, ready, let's get ready, ready,
Let's get ready to rhumble.

Watch us wreck the mic, watch us wreck the mic,
Watch us wreck the mic - psyche

Let's get ready to rhumble (let's get ready to rhumble),
Get ready, get steady, and rhumble (everybody rhumble).

Let's get ready to rhumble (let's get ready to rhumble),
Get ready, get steady, and rhumble (everybody rhumble).

Sit back, rap attack, don't take no flack,
Rhyme in time to the rhythm of the track,
I'm vodka, (I'm Belgium), a duo, a two-some,
So many lyrics, we're frightened to use 'em.
So many lyrics, we keep 'em in stores,
We've even got 'em coming out of our pores,
Your father, your mother, your sister, your brother,
Everyone's gotta be a P/B lover.

Let's get ready to rhumble (let's get ready to rhumble),
Get ready, get steady, and rhumble (everybody rhumble).

Let's get ready to rhumble (let's get ready to rhumble),
Get ready, get steady, and rhumble (everybody rhumble).

Partners in crime, we'll never do time,
A sentence for us has to end in a rhyme,
Wiggedy-wiggedy raw and pure like sushi,
Don't use me or even try to sue me.
We lay down the law, we're quick on the draw,
We played it, we made it, the rest don't score,
No jokes, no messin', we teach you a lesson,

A state of confusion, to keep you all guessin'.

Freakin' it, sweatin' it, bustin' the mic,
Slammin' it, jammin' it, do what you like,
Freakin' it, sweatin' it, bustin' the mic,
Slammin' it, jammin' it, do what you like,
Freakin' it, sweatin' it, bustin' the mic,
Slammin' it, jammin' it, do what you like,
Freakin' it, sweatin' it, bustin' the mic,
Slammin' it, jammin' it, do what you like,
Let's get ready, ready, let's get ready, ready,
Let's get ready to rumble,
Watch us wreck the mic, watch us wreck the mic,
Watch us wreck the mic..

You're free.. and freedom is beautiful.. and, er,
y'know.. it'll take time to restore chaos.. and order.. but,
but we will.

Watch us wreck the mic, watch us wreck the mic,
Watch us wreck the mic - skye.
