One day when I came home at lunchtime I heard a
funny noise,
Went out to the back yard to find out if it was one of
those rowdy boys.
Stood there was my neighbour called Peter and a flux
capacitor.

He told me he'd built a time machine like the one in the
film I've seen - yeah. He said:
I've been to the year 3000, not much has changed but
they lived underwater,
And your great, great, great grand-daughter is pretty
fine, is pretty fine.

He took me to the future in the flux thing and I saw
everything,
Boybands, and another one, and another one, and
another one.
Triple-breasted women swim around town, totally
naked.

He told me he'd built a time machine like the one in the
film I've seen - yeah. He said:
I've been to the year 3000, not much has changed but
they lived underwater,
And your great, great, great grand-daughter is pretty
fine, is pretty fine, is pretty fine.

Trogdor

I took a trip to the year 3000, this song had gone multi-
platinum,
Everybody bought our seventh album, it had out-sold
Michael Jackson.
