

Against Me! **"Americans Abroad"**

Golden arches risin' above the next overpass
These horizons are endless
Americans abroad! Americans abroad!
Profit driven expansion into foreign markets
And while I hope I'm not like them, I'm not so sure

This is the best summer that I've ever had
European Vacation, me and my best friends
Americans abroad! Americans abroad!
Whatever there is to be said is said in English
And while I hope I'm not like them, I'm not sure
Here we are, a rock band looking for new audiences
Wherever we go, Coca-Cola's already been
Americans abroad! Americans abroad!
And I just can't help but think that there's nothing in
sight
And while I hope I'm not like them, I'm not sure
