There's a rock and roll in the desert
There's a singing, there's a ...
There's a heat between lovers on a summer night
Young love
Doesn't everyone deserve to be young and in love?

Coming home to mother from our father's wars
We were just your...

What kind of future are you promising us?
What kind of future are you promising us?
What kind of future are you promising us?
Just another generation
Just another generation
Just another generation living under the threat of the
bomb
God save us all...
