

Against Me! "Occult Enemies"

Visit "[Occult Enemies](#)" on MotoLyrics.com

My soul feels invaded, like I was robbed, like I was
cheated,
I'm not taking moral high ground,
You think time isn't your enemy as well?
Watch out for occult enemies,
You better believe they're coming for you

I'd be a fool to believe you & I'll be goddamned before
I concede the
Point,
Yeah, you've got some fucking ego,
You think time isn't your enemy as well?
Watch out for occult enemies,
You better believe they're coming for you

I can't be the only one sharpening knives and loading
guns,
To the advantage of no one, I hope you get all you
deserve
Watch out for occult enemies,
You better believe they're coming for you
