The mace dropped and crushed Abel's head
He died fast and got lost amongst the dead
Kain laughed loud: "I rule over sin!"
God asked him: "Where is Abel, Kain?"

Repeat 1st verse

"What is he asking for? Think he knows it all!
Ha! Our almighty god tries my tortured soul!
You favoured the sacrifice of my brother Abel
Why did you do this to me? I wanted to be your son!
The smoke of Abel's fire rose up to the sky
My hate was burning strong - my brother better than
me?
Can you read my thoughts? I don't care if you do..."

Kain shook his head, "He deserved what he got!"
The blood on his hands, it was still hot

Repeat the foregoing verse

He laughed again and scornful said to the creator:
"I am good, but Abel was a bloody traitor!"

God burned a sign into Kain's brow
He smiled and his voice was hollow
Kain raised his fist against heaven
"My number is 666, not 777!"
God had failed with his friendliness
While Kain held a black mass

Kain was banned and spat on his brother's grave
God's nasty love - noone wants to be his slave
On his way to Nod, Kain burned churches - Hanged the
Priests
He screamed out: "I'm a servant to the Beast!"

Repeat the foregoing verse

Now Kain's heritage lives on forever
God despairs, Kain was much too clever

God realizes that his reign is over
So he turns his back to the world and it collapses in
Fire and blood
