Darkness falls - On your brain
Hear the call - Go insane
Your mind changes - Slowly but surely
Stalk in trance - Scream in fury

Hatred fills your tortured soul
Agression creeps into your body
Now you'll reach your only goal
Hatred fills your tortured soul
Agression creeps into your body
Now you'll reach your only goal

Misanthropy

The human race is meaningless
There's no place for them in your world
Frantic thoughts confuse your view
You drank of the evil source - All must be new

Darkness falls
On your brain
Hear the call
Go insane

(Repeat 1st verse)

Now it's time for you to die!
