Kneeling on the palaces ice cold floor
Faces so indifferent, a voice shout loud commands
Hearts of stone, no opinion tolerated
Forced to mental blindness by powers so relentless

Speeches filled with iron words
Dogmas spread to stay

Control achieved by free and public elections
Hypocrites and liars has sown the evil seed
The poor, the seeking believed in all their words
The glamour and the force were to irresistible

The darkest of crosses waves again
Marches and parades, come and yell

Speeches filled with iron words
Dogmas spread to stay
The darkest of crosses waves again
Marches and parades, come and yell

Risen with might - Subordinate
Thousand years of terror - Subordinate
Follow or flee - Subordinate
Resistance the only answer - Subordinate
